Hi Eric,

I work with EPA Region 9's NEPA office and will be serving as the lead reviewer for the Oakland Harbor Turning Basins project. I had a few quick questions that I was hoping to run by you. I left you a voicemail yesterday, but realized it might be good to follow up with an email in case you're unable to access your voice messages. Feel free to give me a call when you have a moment. You can reach me at 415-972-3504.

Thanks!  
Morgan
